

# Job Opening: Full or Part Time Luthier

## Role Summary:

Resonance Violins seeks a passionate, meticulous, self-motivated individual to join us as a luthier. Located in Mt. Lebanon, Resonance Violins serves professional and student musicians throughout the region. You will be trained as needed in instrument set up, repair and tool maintenance by master luthier Xiantong Zhu. Previous experience in playing a stringed instrument, woodworking or violin making is encouraged but not required. Necessary skills include attention to detail, persistence and a love for craftsmanship.

## Job Responsibilities and Duties:

- Set up and maintain rental instruments.
- Assist with repairs on customers' instruments and bows (dependent on experience).
- Perform standard tool maintenance, such as sharpening knives.
- Train under master luthier Xiantong Zhu and with other members of our team.
- Assist as needed with customer service and sales.

## Job Requirements

- Attention to detail.
- Ability to respond to frank and honest criticism.
- Drive to continually improve your skills.
- Passion for instrument repair and craftsmanship.
- Proficiency with one or more string instrument(s) preferred.
